

# System Requirements

Last Modified on 12/20/2024 4:24 pm EST

Resolver Core and its apps run on the following Internet browsers:

- Google Chrome (latest version)
- Microsoft Edge (latest version)

Effective with the [22.1 software release](#), Resolver Core has ended support for Internet Explorer 11. This means you can no longer access the system by using IE. Click [here](#) to find out more.

Visit the links below to download the Chrome or Edge browsers and ensure your computer meets the minimum system requirements.
