

Edit or Delete an Object Type Group

Last Modified on 08/20/2025 11:39 am EDT

Overview

Administrators can edit or delete object type groups from your Org.

User Account Requirements

The user must have Administrator permissions in order to edit or delete an object type group.

Required Information/Setup

Please refer to the Create a New Object Type Group article for more information on creating object type groups in your Org.

Navigation

1. From the *Home* screen, click the **Administration** icon.

			•••	\$ \$ \$
Home	V My Tasks			
	My Tasks	¢ sort Q search		

Administration Icon

2. From the Administrator Settings menu, click Admin Overview.

		Q Search		 ø	? 2
