

# **Configuring Free Form Text on Forms**

Last Modified on 01/16/2025 10:34 am EST

# Overview

Through the free form text element, you can add headers, titles, instructions, or additional information to your configurable forms. Text can be styled using Markdown formatting.

### **User Account Requirements**

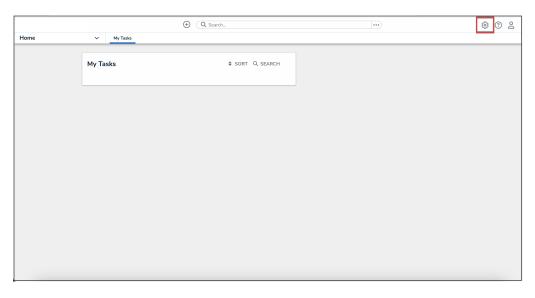

The user account you use to log into Resolver must have Administrator permission to use the Configurable Forms feature.

### **Related Information/Setup**

Please refer to the Supported Markdown Styles article for more information on applying Markdown formatting.

## Navigation
