

# Edit the Default (Standard or Assigned) Email Templates

Last Modified on 10/02/2024 1:44 pm EDT

## Overview

By default, every organization has two email templates:

- **Standard:** Advises users that there are one or more objects that require attention.
- **Assigned:** Advises users that one or more objects have been assigned to them.

These templates cannot be deleted, however, all fields in the templates can be edited, including the template name.

**Note:**

*Each field in an email template can be editing, because of this the default template within your organization may have been renamed.*

---

## User Account Requirements

The user account you use to log into Resolver must have Administrator permission to configure and create email templates.

---

## Related Information/Setup

Please refer to the [Using an Organization Logo for Branding Email Templates](#) article for further information on how to use the organization logo to brand email templates.

Please refer to the [Popular Markdown Styles](#) article for more information on Markdown Formatting.

Please refer to the [Email Template Variables](#) article for more information on adding email variables.

---

## Navigation

1. From the **Home** screen, select the **Administration** Icon.

*Administration Icon*

- From the **Administration Settings** menu, click the **Admin Overview** link.

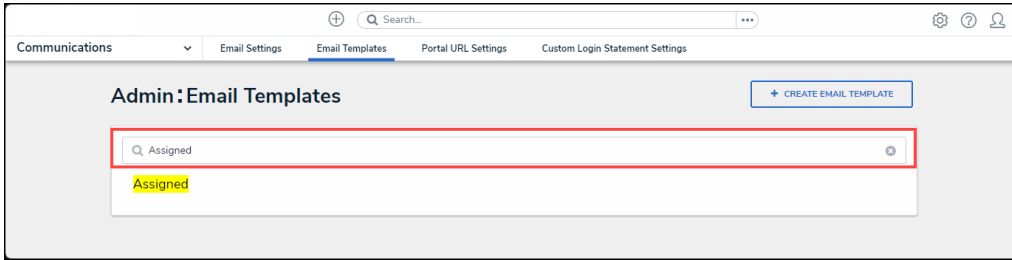

*Admin Overview Link*

- From the **Admin: Overview** screen click the **Email Templates** tile under the **Communications** section.

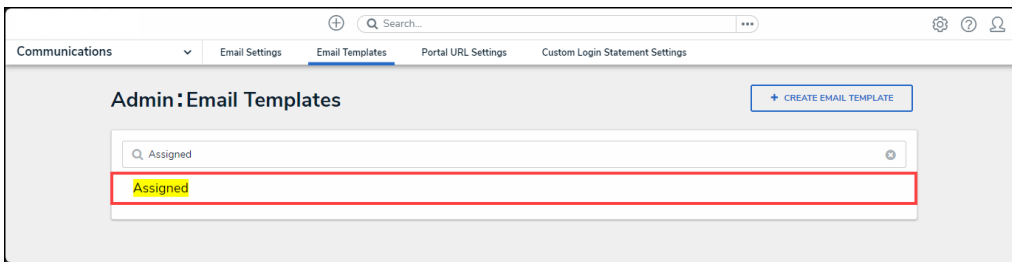

*Email Templates Tile*

- From the **Admin: Email Template** screen, enter an email template name **Standard** or **Assigned** in the **Search** field to narrow the search results.

*Search Field*

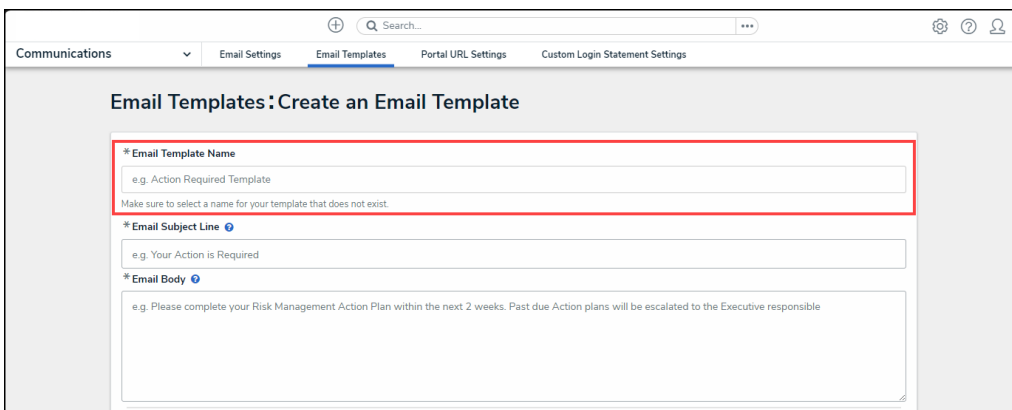

5. Click on the **Standard** or **Assigned Email Template** link.

*Email Template Link*

## Edit the Default Email Template

1. Enter a unique email template name in the **Email Template Name** field. An email template name cannot be use more than once.

*Email Template Name Field*

2. Enter an email subject in the **Email Subject Line** field. The subject line entered must be at least 5 alphanumeric characters.

- User can also use the **{orgName}** variable in the **Email Subject Line** field to automatically populate their organization's name. The **{orgName}** variable is case sensitive.

The screenshot shows the 'Email Templates: Create an Email Template' form. The 'Email Subject Line' field is highlighted with a red border. The form includes the following fields:

- \*Email Template Name**: Review Required. Make sure to select a name for your template that does not exist.
- \*Email Subject Line**: e.g. Your Action is Required.
- \*Email Body**: e.g. Please complete your Risk Management Action Plan within the next 2 weeks. Past due Action plans will be escalated to the Executive responsible.

*Mail Subject Line Field*

3. Enter a custom message in the **Email Body** field. The custom message entered in the **Email Body** field must be at least 10 alphanumeric characters.

The screenshot shows the 'Email Templates: Create an Email Template' form. The 'Email Body' field is highlighted with a red border. The form includes the following fields:

- \*Email Template Name**: Review Required. Make sure to select a name for your template that does not exist.
- \*Email Subject Line**: The name record requires your attention.
- \*Email Body**: e.g. Please complete your Risk Management Action Plan within the next 2 weeks. Past due Action plans will be escalated to the Executive responsible.

*Email Body Field*

4. Type a + sign in the **Email Subject Line** or **Email Body** field to embed a field or property variable. Type a field or property keyword after the + sign to narrow the variables list and select a **Variable** from the dropdown menu to insert it. See the [Email Template Variables](#) article for more information on adding email variables, including which fields and properties are supported.

The screenshot shows the 'Email Templates: Create an Email Template' form. The 'Email Body' field is highlighted with a red box, indicating the process of adding a variable. The dropdown menu shows options for 'Primary Location', 'Primary Temp', 'Primary Use Case', 'Priority', and 'Case'. The 'Priority' option is selected, and the text 'Priority' is visible in the body field. The form also includes fields for 'Email Template Name', 'Email Subject Line', and 'Logo'.

*Adding a Variable*

5. Users can apply Markdown Formatting to the text within the **Email Body** field.

The screenshot shows the 'Email Templates: Create an Email Template' form. The 'Email Body' field is highlighted with a red box, showing the text '\*\*Priority\*\* Priority Category' with bold formatting applied to the word 'Priority'. The 'Basic Markdown Formatting' section is visible below the field. The form also includes fields for 'Email Template Name', 'Email Subject Line', and 'Logo'.

*Markdown Formatting*

6. Click the **Expand** icon under the Basic Markdown Formatting section to view a list of basic formatting commands. For more information applying formatting, see [Popular Markdown Styles](#).

- **Use Organization Logo:** Allows users to use the organization logo to brand the

email template. Please refer to the [Using an Organization Logo for Branding Email Templates](#) article for further information.

*User Organization Logo*

8. Scroll to the **Preview** section to review the email template's appearance.

*Preview Section*

9. The **Email Template Workflow References** section will show if the email template is used in a workflow. The object type's monogram, name, and workflow name will appear in this section as a link (e.g. **[Object Type Name] - Workflow [Workflow Name]** ). Clicking these links will display the related **Admin: Edit Workflow** screen.

The screenshot shows a web application interface with a top navigation bar. On the left, there is a 'Communications' menu with a dropdown arrow. The main navigation bar includes 'Email Settings', 'Email Templates' (which is highlighted with a blue underline), 'Portal URL Settings', and 'Custom Login Statement Settings'. A search bar with a magnifying glass icon and the text 'Search...' is located in the top right. To the right of the search bar are three icons: a gear for settings, a question mark for help, and a user profile icon. The main content area is titled 'Email Template Workflow References'. Below the title, it states 'This Email Template is linked to the following Workflows:'. There are three entries in a list, each with a small circular icon and a text label: a grey 'PA' icon for 'Person Assessment - Workflow Status', a teal 'C' icon for 'Case - Workflow Status', and another grey 'PA' icon for 'Person Assessment - Workflow Status'.
