

Edit or Delete a Custom Email Template

Last Modified on 02/19/2025 10:16 am EST

Overview

A custom email template is any template that is **not** a [default template \(Standard or Assigned\)](#). Both custom and default templates can be edited, but only custom templates can be deleted, provided they are not currently selected in a [Messaging](#) action in a workflow.

User Account Requirements

The user account you use to log into Resolver must have Administrator permission to configure and create email templates.
