

Issue Owner & Delegate Overview

Issue owners and their delegates are responsible for adding corrective actions to issues, assigning a corrective action owner, then submitting the issues to the **Compliance Team** for review. Issue owners are assigned issues by the [Compliance Team](#) or the [Requirement Owner](#).

Assigned issues appear on the [My Tasks](#) page.

The screenshot displays the RESOLVER application interface. At the top, the 'RESOLVER' logo is on the left, and navigation icons (plus, search, menu, help, user) are on the right. Below the header, there are two tabs: 'Home' and 'My Tasks', with 'My Tasks' being the active tab. The main content area is divided into two panels. The left panel, titled 'My Tasks', contains a list of tasks. The first task is 'Conflict', marked with a red '-1' icon, and includes the text 'Assigned to me on Jan 16th, 2019' and an 'OPEN' button. The right panel, titled 'Issue', shows a 'Workflow State' chart. The chart has a horizontal axis from 0 to 2 and a vertical axis. A blue bar extends from 0 to 1, with the number '1' at its end. A legend below the chart shows a blue circle next to the word 'Open'.

An assigned issue on the My Tasks page.
