

Control Owner & Delegate Overview

Control owners and their delegates are responsible for ensuring the controls assigned to them by the [Requirement Owner](#) adequately address their organization's risks. Assigned controls are accessible via the [Portal](#) or the [My Tasks](#) page (if an action is required).

The screenshot shows the RESOLVER interface. At the top, there is a navigation bar with the RESOLVER logo, a search bar, and user profile icons. Below the navigation bar, there are two tabs: 'Home' and 'My Tasks', with 'My Tasks' being the active tab. The main content area is divided into two panels. The left panel, titled 'My Tasks', contains a card for a control labeled 'C-11 Policies'. Below the title, it says 'Assigned to me on Jan 16th, 2019'. To the right of the card is a blue button labeled 'SELF ASSESSMENT'. The right panel, titled 'Control Workflow State', shows a horizontal bar chart with a scale from 0 to 2. A blue bar extends to the value 1. A legend below the chart indicates that the blue color represents 'Self Assessment'.
