

# RCM Framework Subscriptions

Last Modified on 07/15/2020 4:21 pm EDT

Canadian financial institutions can purchase Resolver's [Regulatory Compliance Frameworks](#) module to use with the Compliance Management app. This module contains the following frameworks, which are accessible via the [Library](#):

- Bank Framework
- Trust and Loan Framework
- Credit Union Framework (Federal and Provincial)
- Insurance Framework
- Securities Framework
- Anti-Money Laundering
- Privacy (Federal and Provincial)
- Foreign Account Tax Compliance Act (FATCA)
- Common Reporting Standards (CRS)
- Accessibility for Ontarians with Disabilities (AODA)
- Canada Labour Code
- Canadian Anti-Spam Legislation (CASL)
- National Do Not Call
- Provincial Employment Standards
- Cyber Security Self-Assessment Framework
- Lobbyist Framework

For more information on these frameworks, see the [Regulatory Content Library Fact Sheet](#) and [Regulatory Compliance Management Product Sheet](#).

If you're not using the RCM module, your organization is responsible for importing its own frameworks into the app. For more information on creating and importing your own frameworks, [Resolver Support](#).
