

Messages Panel

The **Messages** panel contains all of your open conversations. When a dispatch is created, a conversation will automatically appear in this panel, labelled with the dispatch number. Dispatchers and any officers assigned to tasks on the dispatch are automatically brought into the dispatch-related conversations. If you were not automatically added to a conversation and you would like to join, select the dispatch in the **Dispatches** panel, then click **Comment**. Conversations that are not related to a dispatch (personal conversations) may also be created in this panel.

If your officers are using **Officer Mobile** and are not actively working in the app, they will receive a push notification on their devices when they receive a new message or invitation to join a conversation.

To open **Messages** in a floating panel, click  **Messages** in the ribbon.
