The **Tasks** section of the **Details** panel provides a summary of all officer and [organization](#) tasks for a selected dispatch, including the officer's name, the task description and location, the time of each status change, and whether or not the task was suspended.

To view a summary of tasks in the Details panel:

1. Double-click the dispatch to open the **Details** panel.
2. Click  **Tasks**.

[Suspended](#) tasks will appear with a checkmark in the **Suspended** column of the **Officers** section, while organizations that didn't arrive on scene will appear with a checkmark in the **No Response** column of the **Organization Responses** section.
