An **organization** log records any organizations that were involved in a dispatch. Examples of an involved organization can include a responding agency, reporting organization, or victim organization.

The screenshot displays the 'Details - Caissa Fischer' window. At the top, it shows 'CF-19 - Tuesday February 07 2017' and 'Work Zone: King's Corner'. Below this, there are time slots (7:59 AM, 8:11 AM, 8:18 AM, 8:18 AM) and a status bar with buttons for 'New', 'Unassign', 'Assigned', 'On Route', 'On Scene', and 'Cleared'. The 'On Scene' button is highlighted. To the right, 'Call Entered By: Thoran, Randolph' and 'Dispatcher: Thoran, Randolph' are shown. The main content area is split into two panes. The left pane is a dark blue sidebar with a search bar and a list of organization cards; the top card is 'Police Department Reporting Organization' with a police badge icon. The right pane shows a form for 'Organization Name' (filled with 'Police Department') and 'Involvement Type' (a dropdown menu set to 'Reporting Organization'). Below the form is a 'Notes' section with a large empty text area. The bottom right corner of the window has an 'Auto-Focus' button.
