

Logging into Dispatch

Last Modified on 11/23/2022 11:25 am EST

Overview

Logging into Dispatch™ is done through Resolver®. Resolver will email you the URL and login credentials required to log in.

If the **Command Center** option in the **Home** drop-down menu or the **Launch Dispatch** tab on the **Command Center** screen is not visible, send a request to your system administrator to add your user to the correct user group.

Related Information/Setup

If this is your first time logging in, please refer to the Logging into Resolver article for further information.
