

System Settings Overview

Last Modified on 04/16/2025 4:55 pm EDT

Overview

System Settings allows you to:

- Adjust how often dispatch numbers are reset and how long closed dispatches are retained in the **Closed Dispatches** panel;
- Create visual alerts for officer, organization, dispatch, and task statuses;
- Adjust how long closed dispatch and officer history records are retained; and
- Automatically change the status of tasks that belong to the same dispatch.
