

Install Officer Mobile

Last Modified on 02/26/2025 10:41 am EST

Overview

Users can download the Officer Mobile App from the App Stores™ or Google Play Store™.

Note:

Ensure your Wi-Fi or data signal is strong when using the app to avoid alert delays or interruptions.

Compatible Devices

Apple® Devices:

- iPhone
- iPod Touch

Android™ Devices:

- Android Phone

Note:

Officer Mobile is compatible with some iPad® and Android tablets; however, it is not fully supported on these devices.

Operating System Requirements

Apple Devices:

- Apple devices must be running iOS 10 or later.

Android Devices:

- Android devices must be running Android 8.0 or later.

Confirming Your Operating System

Apple Devices:

- To confirm your iOS, tap **Settings > General > About**.

Android Devices:

- To confirm your operating system, tap **Settings > About device**.

Installing Apps

Apple Devices:

- For more information on installing apps from the App Store, visit the [App Store support site](#).

Android Devices:

- For more information on installing apps from the Google Play store, visit the [Google Play support site](#).
