

Location Search Results for Dispatchers

When entering search criteria for a location in the **Create Dispatch**, **Dispatch Details**, or **Schedule Dispatch** panels, the following will appear in the results:

- **Locations**, which appear in the search results with the  icon.
- **Indoor location points**, which appear in the search results with the  icon.
- **Global addresses**, which appear (if enabled in the **System Settings**), in the search results with the  icon.

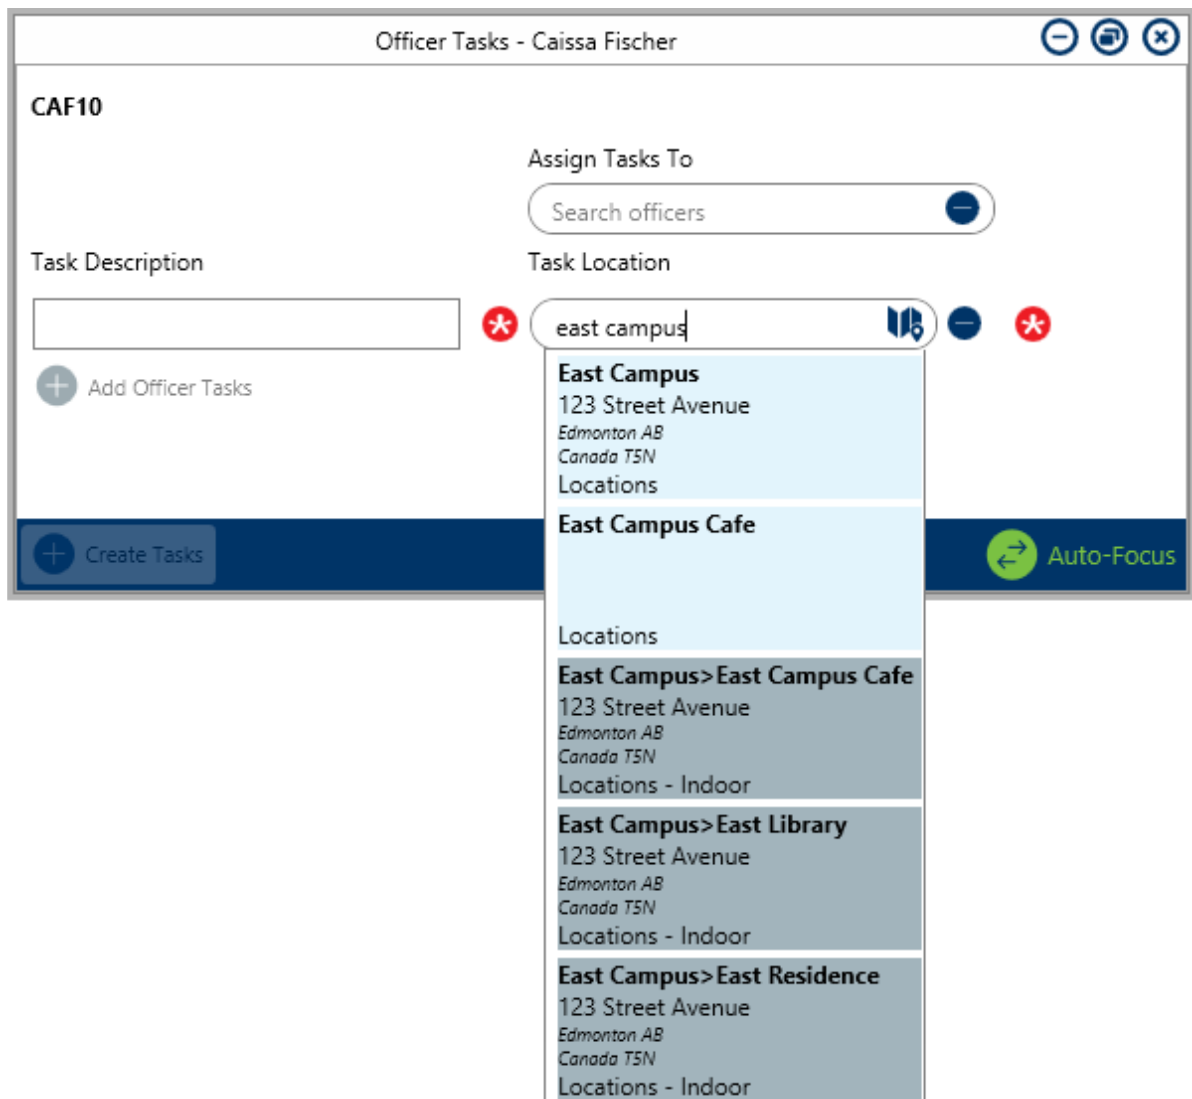

*Location search results as they appear in the **Create Dispatch** and **Dispatch Details** panels.*

- ✓ To view the three most recently used locations and three most commonly used locations for the current user and session, if any, click the **Search locations** field in the **Create Dispatch**, **Dispatch Details**, and **Schedule Dispatch** panels without entering search criteria.

In other panels, each type of location (location or indoor location point) is labelled and color coded:

- **Light blue:** A saved Dispatch location, labelled as **Locations**.

- Gray: An indoor location point, labelled as **Locations - Indoor**.

Location search results.
