

## View the Portal

Risk owners and their delegates have access to the **Risks** tab in the **Portal**. This activity contains three sections:

- **My Risk Management Dashboard:** A summary report of all risks, controls, issues, and KRIs to which the Risk Owner has been assigned;
- **My Risk Report:** A summary report of all risks to which the Risk Owner has been assigned; and
- **My Risks:** A list of all risks assigned to the Risk Owner.

The screenshot shows the Resolver Portal interface. At the top, there is a navigation bar with the Resolver logo, a search bar, and icons for settings, help, and user profile. Below the navigation bar, there are tabs for 'Portal', 'Risks', and 'Loss Events'. The 'Risks' tab is selected. The main content area is titled 'Risks' and contains three sections: 1. A 'Risks' section with a paragraph of text and a '+ CREATE RISK' button. 2. A 'My Risk Management Dashboard' section featuring a card for 'Riverdale Industries' with a 'C-1' severity indicator and an 'Active' status tag. 3. A 'My Risk Report' section featuring a similar card for 'Riverdale Industries' with a 'C-1' severity indicator and an 'Active' status tag.
