

## Issue Owner & Delegate Overview

Issue owners and their delegates are responsible for adding corrective actions to issues, assigning a corrective action owner, then submitting the issues to the risk team for review. Issue owners and delegates are assigned issues by the [Risk Team](#) or the [Risk Owner](#).

Assigned issues appear on the [My Tasks](#) page.

The screenshot displays the 'My Tasks' page in the RESOLVER application. The page header includes the RESOLVER logo, a search bar, and navigation icons. The main content area is divided into two panels. The left panel, titled 'My Tasks', lists two issues: 'Criminal Record Present' (ID I-10, assigned Aug 25th, 2020) and 'Learning Gaps' (ID I-11, assigned Sep 17th, 2020). Each issue has an 'OPEN' button. The right panel, titled 'Issue', shows a 'Workflow State' chart with a blue bar extending to the value 2 on a scale from 0 to 3. A legend below the chart indicates that the blue color represents the 'Open' state.
