

Indicator Owner Overview

Last Modified on 04/05/2023 5:14 pm EDT

Indicator owners are responsible for ensuring the KRIs assigned to them by the [Risk Team](#) or [Risk Owner](#) are kept up to date. Assigned KRIs are accessible via the [Portal](#) or the [My Tasks](#) page.

The screenshot displays the Resolver application interface. At the top, the Resolver logo is on the left, and navigation icons (plus, search, menu, settings, help, user) are on the right. Below the header, there are tabs for 'Home' and 'My Tasks', with 'My Tasks' being the active tab. The main content area is divided into two panels. The left panel, titled 'My Tasks', contains a task card with an orange '-1' icon, the text 'Percentage of employees who have completed annual cyber security training.', and a 'PENDING UPDATE' button. The right panel, titled 'Indicator', shows a 'Workflow State' bar chart with a value of 1 on a scale from 0 to 2, and a legend for 'Pending Update'.

An assigned KRI on the My Tasks page.
