

Alert Owner Overview

Last Modified on 04/28/2022 1:35 pm EDT

Members of the **Alert Owner** user group receive an alert when the **Compliance Team** assigns them to an alert and marks it as **Action Required**. Users in this group are responsible for:

- Reviewing the issues and corrective actions attached to an alert
- Assigning existing or new issues to an alert
- Marking alerts as complete.

Alert Owners have access to the **Portal** application only, unless they are assigned to additional user groups that grant them access to other Resolver applications.
