

Policy Owners Overview

Last Modified on 03/05/2021 5:50 pm EST

Policy Owners are responsible for ensuring that their assigned policies assigned have been accurately documented, including the policy's narrative, any supplementary attachments, and comments. Policies are accessible via the [Portal](#).

The screenshot shows the Resolver user interface for Policy Owners. At the top, there is a navigation bar with the Resolver logo, a search bar, and utility icons for settings, help, and user profile. Below the navigation bar, there are two tabs: 'Portal' (selected) and 'Policies'. The main content area is divided into three sections: 'Policies', 'My Policies', and 'Policy Listing'. The 'Policies' section contains an introductory text. The 'My Policies' section displays a single policy card for 'Riverdale Industries' with an 'Active' status. The 'Policy Listing' section displays three policy cards: 'Quarantine Policy' (Active), 'Social Distancing Enforcement' (Review), and 'Mask Policy' (Under Revision). Each card includes a policy ID, title, status, and a brief description.

Policy ID	Policy Title	Status
C-1	Riverdale Industries	Active
P-1	Quarantine Policy	Active
P-2	Social Distancing Enforcement	Review
P-3	Mask Policy	Under Revision

The Portal as it's displayed to a user in the Policy Owners user group.
