

Reviewing an Internal Audit's Process

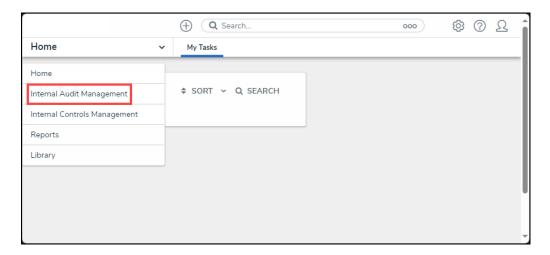

Last Modified on 07/10/2024 1:31 pm EDT

Overview

Once a member of the **Internal Audit Leads/Managers** user group has moved the audit project into the **Fieldwork** state, staff members can review the Processes attached to the project. It is recommended that a process is reviewed after all of its attached risks have been reviewed.

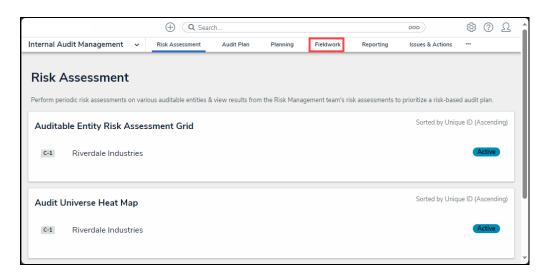

Navigation

From the *Home* screen, click the **Home** dropdown and select the **Internal Audit** Management link.

Home Dropdown

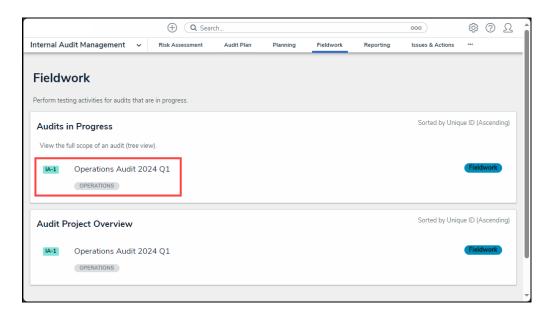

2. From the *Risk Assessment* screen, click on the **Fieldwork** tab.

Fieldwork Tab

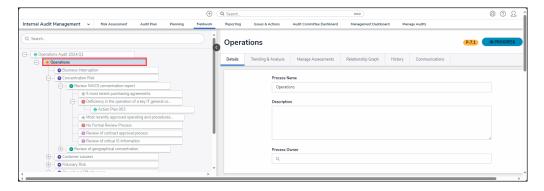

3. From the *Fieldwork* screen, click on the **Internal Audit** report name that contains the process you want to perform from the *Audits in Progress* section.

Internal Audit Report

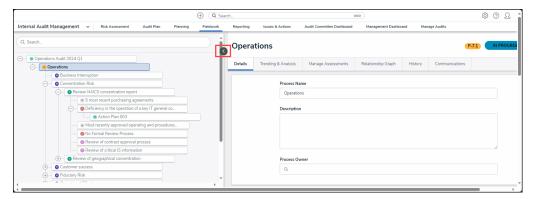

- From the *Audit Project Overview* screen, click on the **Expand** icon on the **Navigation** Tree to expand the nodes until you find the process.
- 5. Click the process to open the **Process Details** tab. The process is indicated with a **P** icon next to the process name on the node.

Process Node

6. Click the **Collapse** Icon to collapse the **Navigation Tree**.
