Adding an Organization Name

Overview

From the *Branding* screen, Administrators are able to add their organization's name to the header of their Resolver instance.

User Account Requirements

The user must have Administrator permissions or Settings Management advanced permissions in order to access the *Branding* screen and add an organization name.

Related Information/Setup

Please refer to the Branding Overview article for more information.

Navigation

1. From the *Home* screen, click the **Administration** icon.

Administration Icon

2. From the **Administrator Settings** menu, click **Branding**.

Administrator Settings

Adding an Organization Name

1. From the *Branding* screen, click the **Add Organization Name** button or the **Edit** icon beside **Organization Name**.

Edit Organization Name

2. From the **Organization Name** pop-up, type the organization name into the **Organization Name** field.

Organization Name Field

> **Note:**
> The organization name cannot exceed a maximum of 300 characters, and can only contain alphanumeric and special characters.

3. To show the organization name in the header, select **Yes** under the **Show organization name in header?** field.

Show Organization Name in Header? Field

4. Click the **Save** button.
