

Enabling the Al-Generated Requirement Summary Feature On an Org

Last Modified on 05/16/2025 1:36 pm EDT

Overview

From the *Feature Access* screen, Administrators and Settings Management advanced permission users can self-enable the Al-Generated Requirement Summary feature on their Orgs.

User Account Requirements

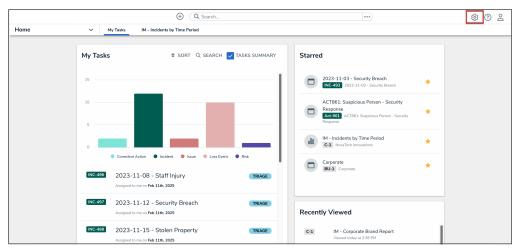

The user must have Administrator or Settings Management advanced permissions to access the *Feature Access* screen.

Related Information/Setup

For further information on using the Al-Generated Requirement Summary feature, please refer to the Enabling the Al-Generated Requirement Summary Feature on Forms article.

Navigation

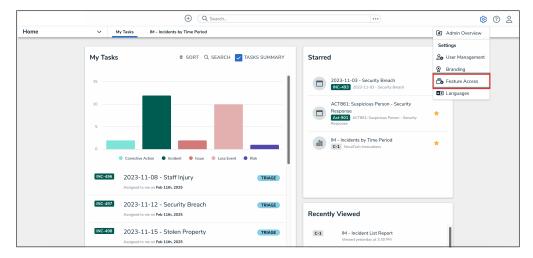

1. From the *Home* screen, click the **Administration** icon.

Administration Icon

2. From the Administrator Settings menu, click Feature Access.

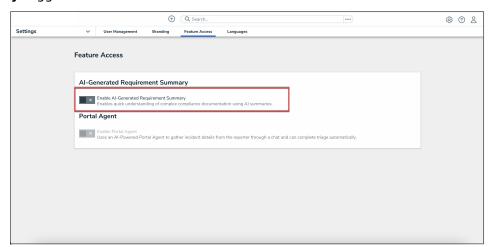

Administrator Settings Menu

Enabling the AI-Generated Requirement Summary Feature On an Org
