

Enabling the Al-Generated Regulatory Summarization Feature On an Org

Last Modified on 09/19/2025 10:06 am EDT

Overview

From the *Feature Access* screen, Administrators and Settings Management advanced permission users can self-enable the Al-Generated Regulatory Summarization feature on their Orgs.

User Account Requirements

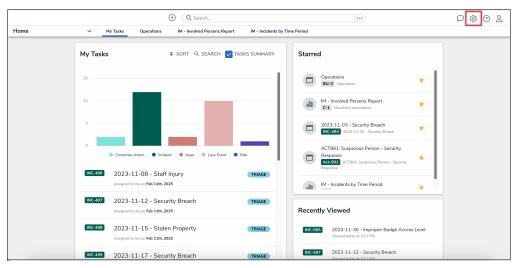

The user must have Administrator or Settings Management advanced permissions to access the *Feature Access* screen.

Related Information/Setup

For further information on adding the Regulatory Summarization feature to a form, please refer to the Adding the Al-Generated Regulatory Summarization Feature to a Form article.

Navigation

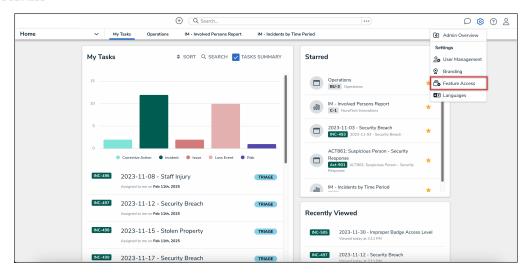

1. From the *Home* screen, click the **Administration** icon.

Administration Icon

2. From the Administrator Settings menu, click the Feature Access link.

Administrator Settings Menu
